COURSE DESCRIPTION:

64 hours of class training and course assignments in adult and pediatric forensic evidence Collection.

Course led by distinguished fellow of the IAFN, Diana Faugno MsN, RN, CPN, SANE-A, SANE-P, FAAF, DF-IAFN

Course will allow you to practice in the role of a SANE Nurse and fulfill requirements to sit for SANE-A and SANE-P certification exams through the IAFN.

Course packets, textbook requirements, pre-course work and detailed location info will be mailed after completed registration.

Participants can earn 64 nursing contact hours for this training

Course Objectives

1. Describe the role and the scope of the Sexual assault nurse examiner (Pediatrics/Adolescent/Adult).
2. Demonstrate correct swabbing techniques using the DOD evidence collection kit.
3. State the definitions of injuries such as lacerations, abrasion, bruises.
4. Identify and label adult, adolescent and pre-pubescent oral/ano-genital anatomy.
5. Describe a child abuse advocacy center (CAC) and its purpose.
6. List 2-3 milestones that are specific growth and development for the prepubescent child.
7. Document examples of open ended questions used in interviewing children/ adolescents/adults.
8. State the roles and scope of work of the District Attorney and Law Enforcement in the multidisciplinary team in dealing with adult/child sexual assault.

" I love being a SANE nurse because I can provide the compassionate care our community needs. Working together with an advocate in the emergency room setting ensures the exam will be the beginning of the healing Process"

-Alisha Blazevic RN

SANE Program

PAVSA's SANE program has been serving Minnesota's Sothern St. Louis County area for over six years. During this time PAVSA's SANEs have provided more than 650 comprehensive and compassionate forensic medical exams for sexual assault victims. These exams are essential to the successful investigation and prosecution of sexual assault in our community. The SANE program is a community collaboration between St. Luke's Hospital, Essentia Health, local law enforcement and PAVSA .
