## **The SANE approach to Sexual Exploitation and Trafficking: A New Medical Forensic Exam Model**

Pam DeWitt-Meza, RN, SANE-A, SANE-P  
Sexual Assault Resource Service/Labor and Delivery  
Hennepin County Medical Center

**Move beyond what we know about sexual exploitation and trafficking and apply this knowledge to a new best practice medical forensic exam.**

**Learn techniques for positive patient interactions that include how to identify potential victims and how to discuss the sensitive subject of exploitation in order to provide comprehensive care.**

**Examine how our SANE exam can fit as a first stop for identified victims within the No Wrong Door Model.**

Regions Hospital, Lindell Room , located in the Emergency Medicine Offices on the 2<sup>nd</sup> Floor, between the Cafeteria and the Overlook Café. Follow signs posted.
