

Regions Hospital SANE Program

Are you interested in a position where you are encouraged to use your head + heart, together? Do you have good critical thinking skills and pay attention to details? Do you thrive on working with people of different cultures, as well as vulnerable populations? Do you take the time to meet your patient's needs with kindness and compassion, instead of focusing on speed while delivering your care? Regions Hospital SANE Program, St Paul, is looking to hire such individuals .

Regions Hospital SANE Program cares for about 250 patients per year and serves 4 hospitals in addition to Regions: Lakeview, St Joseph's, St John's and Woodwinds. Requirements of this position include: minimum 2 years nursing experience, flexibility in scheduling for a minimum of 6 call shifts per month. You must have already taken a 40 hour SANE course to apply, as well as live within a 30 minute drive to Regions Hospital to promote a rapid response for our patients and the hospitals we serve. If you have these qualifications and are interested in joining our team of compassionate and dedicated nurses, please apply at www.regionshospital.com . Nurses that work less than a .8 FTE at their regular job are preferred to allow for flexibility in picking up call shifts. You may call Ellen Johnson, SANE Program Supervisor, for more info at 651-254-1611.

If you are interested in attending a 40 hour course to be considered for future hiring, please contact Ellen about the course being held in collaboration with the Allina SANE Program, to be held January 12-16, 2015.

Ellen Johnson RN, SANE-A, CEN, CPEN
Regions Hospital SANE Program Supervisor
640 Jackson St
St Paul, MN 55042
