

## **IAFN Clinical Skills Lab Training**

Have you taken the 40 hour SANE course but still need experience performing medical forensic exams for adult/adolescent sexual assault patients? If so, this 16 hour IAFN Clinical Skills Lab February 20 and 21 is for you.

This 16 hour Clinical Skills Lab will provide the nurse hands on Sexual Assault Examination training with live models. The Skills lab includes training and practice on pelvic speculum insertion, interviewing, evidence collection and handling, and photography. The Skills Lab will provide training and practice with developing a plan of care, discharge/safety planning, and risk assessment for STI's, pregnancy, and HIV with discussions regarding options for prophylaxis of each. Anoscopy will also be demonstrated.

This Clinical Skills Lab is designed to provide clinical practice to nurses who are new SANEs or SANEs who have not had the opportunity to perform many exams. The Skills Lab will increase the nurse's skill and confidence with performing medical forensic examination of the adult and adolescent sexual assault patient.
