Linda brought up discussion regarding if moving forward we should still be part of the IAFN. Ellen states that there has not been any benefit for us being a chapter of the IAFN. Ellen and Linda both shared that there has not been a sharing of information from the IAFN. Linda has stated that the IAFN has not been able to put the Minnesota members in the same format, in order to simplify paperwork. Ellen suggests that we can improve and enhance forensic nursing regardless of whether or not we are part of the IAFN.

Linda Walther read off the list of the 45 Minnesota members. Angela suggests that she will send out a Happy New Year letter and personally call the members.

Questions that can be asked: What benefit do the members feel that they get out of being a Minnesota Member? Additionally, what would the members like to see the chapter do for them?

Meeting adjourned by Linda Walther at 6 p.m.
