

Hotel Suggestions, rates checked 2/1/16. All rates are without tax

The Skills lab is the same weekend as the State Hockey Tournament so make your reservations ASAP. This is also why I am suggesting hotels 10 miles from Regions Hospital because prices are high downtown due to the tournament.

None of these hotels has an airport shuttle directly to the hotel, but you can call Super Shuttle to make arrangements to get back and forth from the airport (1-800-258-3826), supershuttle.com
