\_\_\_\_\_ **September 17-18, 2022**

\_\_\_\_\_ **November 5-6, 2022**

Have you taken the 40 hour SANE course but still need experience performing medical forensic exams for adult/adolescent sexual assault patients? If so, this 16 hour IAFN Clinical Skills Lab is for you.

This 16 hour Clinical Skills Lab will provide the nurse hands on Sexual Assault Examination training with live models. The Skills lab includes training and practice on pelvic speculum insertion, obtaining a medicolegal history, evidence collection and handling, anoscopy, and photography. The Skills Lab will provide training and practice with developing a plan of care, discharge/safety planning, and risk assessment for STI's, pregnancy, and HIV with discussions regarding options for prophylaxis of each. This Clinical Skills Lab is designed to provide clinical practice to nurses who are new SANEs or SANEs who have not had the opportunity to perform many exams. The Skills Lab will increase the nurse's skill and confidence with performing medical forensic examination of the adult and adolescent sexual assault patient.

*This offering has been approved for 16.0 nursing continuing education contact hours. The International Association of Forensic Nurses is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.*
