THE FIRST SISTER
A DANGEROUS BLOODLINE

DANIELLE LOUISE LEUKAM
In this hair-raising novella, author Danielle Leukam breaks through with an emotive thriller that shows the unpredictable ways our past can catch up to us.

**THE FIRST SISTER**

**A DANGEROUS BLOODLINE**

Kate Sampson’s quaint Minnesota town is shaken to its core after the assault and killing of a Winona mother and wife. The circumstances of this gruesome attack are especially familiar to Kate, a childhood sexual assault survivor. When unsettling things occur around Kate’s home and business, old emotions are stirred, making her question everything--and everyone--around her. As the murder investigation develops with stunning twists, it’s clear the killer is still out there and on a mission. Who can Kate trust as things become more unhinged?

As the events of this startling story unravel, the more unprepared you’ll be...

**DANIELLE LEUKAM**, a Minnesota native, is the author of *Four Pounds of Pressure: A Memoir of Rape, Survival, and Taking Back My Power*, and *Fly Like a Girl: Adventures of Erin and Brad*. Despite her passion for writing since early childhood, it wasn’t until Danielle survived a heinous sexual assault attack in her home in 2018 that she finally pursued her dream of becoming an author.

While pursuing her career as a full-time nurse, and single mother, Danielle is also a writer and blogger who advocates against sexual violence. She serves on the Survivor Advisory Group to the Governor of Minnesota.

Now, Danielle plans to continue writing, public speaking, and advocating. Follow her journey on danielleleukam.com to stay connected.
